### Hole vs No Hole

Use covers with **"Hole"** when umbrella is used with a table. If table does not accommodate an umbrella a **"No Hole" style is recommended.**

The velcro closure allows for the protective cover to be easily placed on and taken off without removing umbrella from table.

### How to use Storage Pouch

*Fold protective cover up to size of storage pouch, make sure storage pouch is on outside of folded bundle.*

*Next, fold protective cover into storage pouch by turning pouch inside-out.*

*Use velcro closure to close storage pouch.*
